

NISSAN INTELLIGENT MOBILITY™

Nissan Intelligent Mobility guides everything we do. We're using new technologies to transform cars from mere driving machines into partners. Together the journey is more confident, connected, and exciting. Whether it's cars that share the task of driving with you, or highways that charge your EV as you go along, it's all in the very near future. And it's a future already taking shape in the Nissan you drive today.

NISSAN

Commercial Vehicles

RIGHT from the start, you know the 2019 NV200® Compact Cargo is the smart way to do business. With loads of room and easily upfitted, it's a capable hauler. Nimble and efficient, it's great for tight quarters and tight budgets. And with advanced technology along for the ride, you minimize wasted time while maximizing driver comfort. Try one on. We think you'll find it's the perfect **SIZE.**

Nissan NV200® Compact Cargo SV shown in Brilliant Silver.

CANADA'S BEST COMMERCIAL VAN
LIMITED WARRANTY

5-YEAR/160,000 KILOMETRES¹

BUMPER-TO-BUMPER LIMITED WARRANTY

Going above and beyond is the Nissan way. After passing all of the brutal quality and durability testing we can think of, we're sure you'll have a van you can count on. To prove our confidence and our commitment, we are pleased to offer Canada's Best Commercial Van Limited Warranty. A full bumper-to-bumper limited warranty for 5 years or 160,000 kilometres, whichever comes first. And that means we've got your back, so you can keep moving forward. For more details of the limited warranty, please go to ncv.nissan.ca or ask your Nissan Dealer.¹

¹Nissan's Vehicle Limited Warranty basic coverage excludes tires, corrosion coverage and emission performance and defect coverage (applicable coverage is provided under other separate warranties). Other general exclusions and terms and conditions also apply. For complete information concerning coverage, conditions and exclusions, see your Nissan dealer and read the actual Vehicle Limited Warranty booklet. Warranty claim is current at time of printing.

To see how far we go to create a van you can trust, go to ncv.nissan.ca

The **Nissan Arizona Testing Centre**. Think your drive is tough? Welcome to one of the most challenging places on earth. We test day and night, in scorching heat, freezing cold, on high-speed ovals and in torturous road conditions. But the results are worth it – the most rugged commercial vans you can buy.

OVER 852,000² KILOMETRES AND 6,600 QUALITY AND DURABILITY TESTS

One unshakeable commitment. Fanatical? Maybe. But when it comes to making the toughest commercial vans you can buy, we go the extra distance for you. And for Nissan Commercial Vans, it's no Sunday drive. We simulate years of corrosion where we soak a vehicle with salt, bake it, and pound it around a test track. We wreak havoc with suspension and body components by driving through potholes, dips, and over 4 x 4 beams. Special chambers crank up the heat to 62°C and humidity to 95% to break down seals and age interiors.

We even have machines that can simulate nearly any road in the world, and we run our vans on them non-stop for 12 hours, 24 hours, or even more. Do we really need to go to such extremes, just to make a Nissan Commercial Van the best you've ever owned? Yes, because every day, you depend on your van to do your job. That's the motivation for us to do ours.

Opportunities have never been more accessible. It doesn't take a rocket scientist to figure that easy access to a van's cargo area is vital for a commercial vehicle. That's why the NV200® Compact Cargo features two easy-sliding side doors with low step-in heights and an innovative 40/60 split rear door. And with the standard RearView Monitor helping you get close to the curb or loading bay, you can work smarter while maximizing cargo efficiency out of every trip.^{1,2}

¹Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. ²Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.

Nissan NV200® Compact Cargo SV shown in Brilliant Silver with additional upfitting.

NISSAN UPFIT ENGINEERING

INNOVATION THAT YOU CAN BUILD ON

With Nissan Upfit Engineering, NV200® Compact Cargo has been designed to let you create a commercial vehicle that is small on the outside, but creates lots of room on the inside. From flat wheel wells to a fold-down passenger seat, every available inch is ready to work – it can easily carry a 40" x 48" pallet. And with integrated interior reinforced cargo-mounting points and integrated roof-mounting points, the NV200 Compact Cargo is an upfitter-friendly base to build your business on!¹

Fold-down passenger seat helps make room for longer items.¹

Six available floor-mounted D-ring tie-downs rated to 1,124 lbs. (509 kg.)

Integrated reinforced cargo-mounting points allow cargo racks, partitions and bins to be securely mounted! Integrated exterior roof rack-mounting points help secure racks!¹

UPWARDLY MOBILE OFFICE

Thoughtful design of NV200® Compact Cargo's cabin makes it a better space for drivers and a smarter place to work. The driver sits high, with excellent outside visibility, and can get a clear view behind with the standard RearView Monitor.¹ And when it's time to get down to business, the NV200 Compact Cargo converts easily into your mobile office. The fold-down passenger seat creates a work desk, while smart storage and power outlets are all within easy reach. To help you work efficiently on the road, the available Navigation Package features the Nissan Navigation System,² NissanConnect® Mobile Apps,^{3,4,5} and a suite of high-tech features easily accessed through a 5.8" (147 mm) touch-screen display.

Text-to-speech – A notification on the screen appears when a text message is received. Touch the prompt on the screen, and the message is read to you.⁶

Navigation² – Real-time traffic updates help keep you clear of traffic jams^{3,4,5} while 3-D viewing makes it easy to find your way. Need more? Key Points of Interest, include ATMs, restaurants and gas stations^{3,4,5}

Google® Send-to-Car³ – With an economical dispatch system, up to 5 separate addresses can be sent from any computer.³ When the vehicle is started, the directions will be delivered and loaded into the navigation system?

RearView Monitor¹ – Now standard, this feature helps negotiate tight parking situations. It can also help the driver place the vehicle close to unloading points.

¹Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. ²Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ³Available services/features may be shown. Compatible connected device may be required. Only use services/features and device when safe and legal to do so. Subject to GPS and wireless network availability and connection, and system/technology limitations. Text rates/data usage/subscription may apply. Swatches may vary slightly due to the printing process and whether viewed in daylight, fluorescent or incandescent light. Please see the actual colours at your dealer.

MAKE AN IMPRESSION

You've decided which Nissan NV200 Compact Cargo you want, now here comes the best part: choose your favourite colour and decide what it's going to look like.

BUYING AND OWNING

Finance Options Through Nissan Canada Finance, we offer many attractive lease and loan options that can be tailored to your individual needs. We have unique programs such as the Nissan Grad Program, Loyalty Program or the Nissan Advantage Program. Please visit our website Nissan.ca/finance to explore all of the options available. We have also made it easy to pre-qualify online. All of our programs come with competitive rates and terms. With our flexible options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

No-Nonsense Warranty Every 2019 Nissan is covered by a 5 year/160,000 km¹⁰ Comprehensive New Vehicle Warranty, a 5 year/160,000 km¹⁰ Powertrain Warranty, an 8 year/130,000 km¹⁰ Emission Control Warranty on selected components, and a 5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you'll also receive a 3 year Roadside Assistance program available to you 24 hours a day. Terms, conditions and exclusions apply. See your Warranty Information Booklet for complete details.

Added Security Plan (ASP) For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

Security+Plus™ Prepaid Maintenance Plan The smart choice when it comes to maintaining your new Nissan. Honoured at all participating Nissan Dealers in Canada and the U.S., your vehicle is cared for by factory-trained technicians using Genuine Nissan Parts. And best of all, there's no worrying about price increases on parts or service in the future. A variety of plans are available. Ask your Dealer for details.

¹Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth® word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence. ²Available services/features may be shown. Compatible connected device may be required. Only use services/features and device when safe and legal to do so. Subject to GPS and wireless network availability and connection, and system/technology limitations. Text rates/data usage/subscription may apply.
