

Innovation
that excites

THE ALL-NEW 2021
ROGUE®

Unexpected
on every level

COMING LATE 2020¹

It starts with a whole new way to see

In the all-new 2021 Rogue®, information is all-access. Upgraded features include the available fully digital dashboard, a 229 mm (9") touch-screen, and a heads-up display that projects essentials like speed and turn-by-turn directions onto your windshield.^{2,3,4}

This is the way forward

From the custom-tailored, premium interior to what's going on up to two cars ahead,⁵ Rogue® is tuned in to every aspect of your drive. Available tech like ProPILOT Assist with Navi-link and Intelligent All-Wheel Drive (AWD) empower you with more confidence and capability.^{6,7,8} Available wireless Apple CarPlay® integration,⁹ paired with available wireless charging, helps make every connection to your iPhone® seamless.^{9,10,11} This is all about what's next. This is the all-new Nissan Rogue.¹²

- Tri-Zone Automatic Temperature Control¹³
- 229 mm (9") Touch-screen Display¹³
- ProPILOT Assist with Navi-link^{6,7,13}
- Heated Front and Rear Seats¹³
- Traffic Sign Recognition^{13,15}
- Quilted Nappa Leather-appointed Seats¹³
- Wireless Apple CarPlay® Integration^{9,10,13}
- Wireless Charging^{10,13}

NISSAN INTELLIGENT MOBILITY™

Flip the script

A little mud only enhances Rogue's stunning new exterior. With available Intelligent All-Wheel Drive (AWD) and modes to help conquer snow, dirt, rain, and gravel, Rogue dares you to tap into your adventurous side.^{8,14}

ProPILOT Assist with Navi-link

Curves, interchanges, junctions – available ProPILOT Assist with Navi-link knows what's ahead and can slow you down to smooth out the ride. The new system can even adjust your set speed based on traffic signs.^{6,7,10,15}

Standard Advanced Safety Features

Imagine feeling confident on every drive. Rogue® comes standard with some of the most advanced safety and driver assist features available.¹⁶

Intelligent Emergency Braking¹⁷ with Pedestrian Detection¹⁷

Rear Intelligent Emergency Braking¹⁸

Rear Cross Traffic Alert¹⁹

Blind Spot Warning²⁰

Lane Departure Warning²¹

High Beam Assist

⁶Pre-production U.S. model shown. Actual production model may vary. ⁷Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ¹⁰Information displayed is dependent on how vehicle is equipped. ¹⁵Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ¹⁶Intelligent Forward Collision Warning cannot prevent collisions. See Owner's Manual for safety information. ¹⁷ProPILOT Assist with Navi-link cannot prevent collisions. Always monitor traffic conditions and keep both hands on the steering wheel. See Owner's Manual for safety information. ¹⁸ProPILOT Assist with Navi-link available only on SL Premium Package and Platinum trim. ¹⁹Intelligent All-Wheel Drive cannot prevent collisions or provide enhanced traction in all conditions. Always monitor traffic and weather conditions. ²⁰Late availability. ²¹Available services/features may be shown. Compatible connected device may be required. Only use services/features and device when safe and legal to do so. Subject to GPS and wireless network availability and connection, and system/technology limitations. Text rates/data usage/subscription may apply. Some services/features provided by companies not within Nissan or its partners' or agents' control and may be discontinued at any time. For more information, see Dealer or Owner's Manual. ¹Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ²Availability of features vary by vehicle model year, model, trim level, packaging, and options. Please see Owner's Manual for important feature information. ³Available feature. ⁴Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. ⁵Traffic Sign Recognition (TSR) may not detect and read all traffic signs in all conditions. Driver should monitor all traffic signs and obey all traffic laws. ⁶Nissan advanced safety technologies can't prevent all collisions or warn in all situations. See Owner's Manual for important safety information. ⁷Intelligent Emergency Braking with Pedestrian Detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ⁸Rear Intelligent Emergency Braking cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ⁹Rear Cross Traffic Alert may not detect all vehicles. See Owner's Manual for safety information. ¹⁰Blind Spot Warning is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. ¹¹Lane Departure Warning operates only when lane markings are able to be detected. See Owner's Manual for safety information. ¹²Apple CarPlay® is a registered trademark of Apple, Inc. iPhone® is a registered trademark of Apple, Inc.
