

Innovation that excites

2020 NV[®] CARGO and NV[®] PASSENGER

NISSAN INTELLIGENT MOBILITY™

Nissan Intelligent Mobility guides everything we do. We're using new technologies to transform cars from mere driving machines into partners. Together the journey is more confident, connected, and exciting. Whether it's cars that share the task of driving with you, or highways that charge your EV as you go along, it's all in the very near future. And it's a future already taking shape in the Nissan you drive today.

NV[®] CARGO AND NV[®] PASSENGER

Isn't it time you were passionate about the vehicle you drive?
Welcome to the 2020 NV Cargo and NV Passenger.

CANADA'S BEST COMMERCIAL VAN WARRANTY
5 YEARS/160,000 KILOMETRES¹
 BUMPER-TO-BUMPER LIMITED WARRANTY

Going above and beyond is the Nissan way. After passing all of the brutal quality and durability testing we can think of, we're sure you'll have a van you can count on. To prove our confidence and our commitment, we are pleased to introduce Canada's Best Commercial Van Limited Warranty. A full bumper-to-bumper limited warranty for 5 years or 160,000 kilometres, whichever comes first. And that means we've got your back, so you can keep moving forward. For more details of the limited warranty, please go to nissan.ca or ask your Nissan Dealer.¹

¹Nissan's New Vehicle Limited Warranty basic coverage excludes tires, corrosion coverage, and emission performance and defect coverage (applicable coverage is provided under other separate warranties). Other general exclusions and terms and conditions also apply. For complete information concerning coverage, conditions and exclusions, see your Nissan dealer and read the actual New Vehicle Limited Warranty booklet. Warranty claim is current at time of printing.

HEAT CHAMBER

STRUCTURAL STRENGTH

HIGH-SPEED OVAL

FRAME TWIST

To see how far we go to create a van you can trust, go to nissan.ca

The Nissan Arizona Testing Centre. Think your drive is tough? Welcome to one of the most challenging places on earth. We test day and night, in scorching heat, freezing cold, on high-speed ovals and in torturous road conditions. But the results are worth it - the most rugged commercial vans you can buy.

THE SHAKER

WATER DUMMIES

OVER **1000000^h** KILOMETRES AND
 7,000 QUALITY AND DURABILITY TESTS

One unshakeable commitment. Fanatical? Maybe. But when it comes to making the toughest commercial vans you can buy, we go the extra distance for you. And for Nissan Commercial Vans, it's no Sunday drive. We simulate years of corrosion where we soak a vehicle with salt, bake it, and pound it around a test track. We wreak havoc with suspension and body components by driving through potholes, dips, and over 4 x 4 beams. Special chambers crank up the heat to 62° C and humidity to 95% to break down seals and age interiors. We even have machines that can simulate nearly any road in the world, and we run our vans on them non-stop for 12 hours, 24 hours, or even more. Do we really need to go to such extremes, just to make a Nissan Commercial Van the best you've ever owned? Yes, because every day, you depend on your van to do your job. That's the motivation for us to do ours.

Nissan NV3500® HD SV Cargo Standard Roof shown in Glacier White. Image may not reflect actual product.

NV CARGO HIGH ROOF

THE STANDOUT THAT LETS YOU STAND TALL

323 cu. ft.
Cargo Capacity¹

Cargo-carrying flexibility and interior room are the reasons you buy a van. The NV Cargo High Roof maximizes your opportunities with a huge 323 cubic feet (9,149 litres) of cargo capacity, stand-up room for someone 6'3" (190 cm) tall, and floor space that can carry up to two 40" x 48" pallets.¹

Every NV Cargo model also pays big dividends when loading, with low step-in heights all around, a large sliding side door, and forklift-friendly rear doors that swing 243° wide and stay open thanks to powerful magnets. Once you're inside you'll appreciate big items like an upfit-friendly design that lets you customize your NV Cargo to your needs, and smart touches like available rear cargo door storage.

NV CARGO STANDARD ROOF

A BIG WORK AREA EVEN IN THE TIGHTEST SPACES

234 cu. ft.
Cargo Capacity¹

With NV Cargo Standard Roof, you've got easy access to the worksite, with a truck-like design that improves visibility and manoeuvrability, and a roof height that fits easily into an eight-foot-tall garage. Once you're there, you've got rear doors that open up to 243° and stay open thanks to magnetic door stops. You've also got an easy-sliding side door that opens nearly 3.5 feet wide. And with up to 21.0" (531 mm) step-in height front and rear, you've got easy access to 234 cubic feet (6,629 litres) of cargo space.¹ Easy to get there. Easy to get what you need. That's a standard every commercial vehicle should be held to.

¹Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. On High Roof models, do not place sharp objects or store objects in the front of the overhead compartment that exceed height of shelving lip. See Owner's Manual for details. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.

NISSAN UPFIT ENGINEERING INNOVATION THAT YOU CAN BUILD ON

With Nissan Upfit Engineering, NV Cargo has been designed to let you create a commercial vehicle that works especially hard for the unique needs of your business. Unlike most vans, the NV Cargo starts with a unique flat-wall interior design. This maximizes all-important floor space, plus opens up room at the top of the cargo-containment system. Add in interior integrated reinforced cargo-mounting points that ensure upfitting is easy and durable, and impressive interior space, and you'll find the North American-built NV Cargo is an ideal canvas for upfitters – and your own ingenuity.¹

Integrated roof rack-mounting points help secure racks and reduce likelihood of rusting caused by drilling into sheet metal!

Three cargo lights make it easy to find what you need.³

Six floor-mounted D-ring tie-downs rated to 1124 lbs. (509 kg)!¹

Flat wheel wells are designed to aid in stacking boxes!¹

120-volt outlet is easily accessible when you're outside.³

Magnets hold the cargo doors securely in their fully open position.

Fully boxed full-length ladder frame. The core of every NV Cargo, it's tough, durable, and helps provide outstanding towing capabilities.² You don't need to be a structural engineer to know the obvious – when building, four walls are stronger.

¹Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. On High Roof models, do not place sharp objects or store objects in the front of the overhead compartment that exceed height of shelving lip. See Owner's Manual for details. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. ²See Nissan Towing Guide and Owner's Manual for additional information. ³Available feature. ⁴Sonar System may not detect every object. Driver should always check surroundings before driving. See Owner's Manual for safety information.

NV[®] CARGO

A MOBILE OFFICE THAT KNOWS HOW TO GET WORK DONE

Nissan NV3500[®] HD SV Cargo Standard Roof shown in Grey Cloth. U.S. instrumentation shown.

Your van is your office. And with long days on the road, you need a workspace that's as comfortable as it is smart. And unlike many competitors, NV Cargo's truck-like design places the engine out front, giving plenty of leg room and foot space for driver and passenger. When you're ready to get down to business, you have class-exclusive features like a multitasking locking centre console^{1,2} and a fold-down front passenger seat to create a convenient work desk. And with wear- and spill-resistant seats, while you're working hard today, you'll be looking good for years to come.

¹Available feature. ²Based on *Global Automakers of Canada (GAC) Full Size Van Market Segmentation*, 2020 NV vs. latest in-market competitors in Large Van segment sourced from *Autodata* on July 19, 2019. ³Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. On High Roof models, do not place sharp objects or store objects in the front of the overhead compartment that exceed height of shelving lip. See Owner's Manual for details. ⁴Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ⁵Sonar system may not detect every object. Driver should always check surroundings before driving. See Owner's Manual for safety information. ⁶Use Hands Free Text Messaging when parked in a safe location. If you must use while driving, monitor traffic conditions and keep both hands on the steering wheel to prevent collisions. Compatible device required. Message and data rates may apply. ⁷Availability of specific features is dependent upon the phone's Bluetooth[®] support. Please refer to your phone Owner's Manual for details. Bluetooth[®] word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence. ⁸RearView Monitor may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information. ⁹Available services/features may be shown. Compatible connected device may be required. Only use services/features and device when safe and legal to do so. Subject to GPS and wireless network availability and connection, and system/technology limitations. Text rates/data usage/subscription may apply. Some services/features provided by companies not within Nissan or its partners' or agents' control and may be discontinued at any time. For more information, see Dealer or Owner's Manual. ¹⁰Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ¹¹XM[®] and SiriusXM[®] Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. All subscriptions subject to customer agreement at siriusxm.ca/terms. All fees and programming subject to change. ©2019 Sirius XM Canada Inc. The Sirius[®], XM[®], and SiriusXM[®] names and all related marks and logos are trademarks of Sirius XM Radio Inc. All other trademarks are the property of their respective owners. High Roof models feature durable overhead storage compartments to keep things within easy reach when you need them.³

Vinyl wear patches on inner and outer bolsters.

Under-seat driver's storage.³

NV Cargo's locking centre console is a major multitasker, with room for a laptop computer and hanging files. The console also features a cover that slides, creating a convenient work desk.^{1,3}

12-V and 120-V power outlets in centre console.^{1,4}

Rear sonar senses objects up to 6 feet (1.8 m) away.^{1,5}

BECAUSE BUSINESS IS ALL ABOUT CONNECTIONS

Never miss a beat with standard Hands-free Text Messaging Assistant,⁶ Bluetooth[®] hands-free calling,⁷ and RearView Monitor.⁸ Or take it to the next level with NissanConnect[®] Mobile Apps.⁹ It serves up a suite of high-tech features to help keep you in business, easily accessed through a 5.8" (147 mm) touch-screen display with Voice Recognition. And with technology, including the Advanced Nissan Navigation System,¹⁰ NissanConnect Mobile Apps,⁹ Nissan Voice Recognition for audio and navigation,¹⁰ and SiriusXM[®] Traffic,¹¹ you're in touch with the things that matter most.

Text-to-speech⁶ A notification on the screen appears when a text message is received. Touch the prompt on the screen, and the message is read to you through the audio system.

Navigation¹⁰ Real-time traffic updates help keep you clear of traffic jams,¹¹ while 3-D viewing makes it easy to find your way. Need more? Key Points of Interest include ATMs, restaurants, and gas stations.¹¹

Google[®] Send-to-Car⁹ Send an address to your NV Cargo from any computer.⁹ When you start the vehicle, the directions will be delivered and loaded into the navigation system.¹⁰

RearView Monitor⁸ This standard feature helps you negotiate tight parking situations. It can also help you place the vehicle close to unloading points.

Nissan NV3500® HD SV Cargo High Roof shown in Brilliant Silver.

POWER TO CHOOSE

NV Cargo gives you two powerful choices to suit your needs. The 24-valve, 4.0-L V6 features an advanced Continuously Variable Valve Timing Control System that delivers seamless power with optimum fuel efficiency. Step up to the direct injected 32-valve, 5.6-L V8 and you'll find an aluminum block with a forged crankshaft and cast-iron cylinder liners for maximum strength. Both engines feature specially coated piston skirts and microfinishing of key components to help reduce friction for smooth response and less wear and tear. Backed up by a 7-speed automatic transmission (5-speed in the V6), and with its body-on-frame design and full-length, fully boxed ladder frame, NV Cargo is built to tow heavy loads.¹

MAXIMUM PAYLOAD – LBS. (KG)²

	NV1500® S	NV2500® S	NV2500® SV	NV3500® S	NV3500® SV
Std. Roof (V6)	2730 (1238)	3280 (1448)	3140 (1424)	-	-
Std. Roof (V8)	-	3060 (1388)	2920 (1324)	3850 (1746)	3720 (1687)
High Roof (V6)	-	3110 (1411)	2980 (1352)	-	-
High Roof (V8)	-	2900 (1315)	2760 (1252)	3690 (1674)	3550 (1610)

V6 261 horsepower / 281 lb.-ft. of torque
NV Cargo: up to 6900 lbs. (3130 kg)
towing capacity¹

V8 375 horsepower / 387 lb.-ft. of torque
NV Cargo: up to 9400 lbs. (4264 kg)
towing capacity³

ENGINEERED TO PROTECT

When a collision is unavoidable, advanced technology helps minimize injury and keep you safe. Nissan's Zone Body construction further strengthens that line of defence, helping to absorb impact and protect everyone on board.

Six Airbags⁴

- (2) Dual-stage supplemental front airbags⁴
- (2) Seat-mounted driver and passenger side-impact supplemental airbags⁴
- (2) Roof-mounted curtain side-impact airbags with rollover sensor for front outboard occupant head protection⁴

EQUIPPED TO RESPOND

When you need to respond to a potentially harmful situation, you'll appreciate these standard technologies, along with NV Cargo's powerful 14.2" brakes, which are the largest in its class.⁵

- Vehicle Dynamic Control⁶
- Traction Control System
- Anti-lock Braking System
- Brake Assist⁷

¹Requires accessory tow hitch receiver. See Nissan Towing Guide and Owner's Manual for additional information. ²Payload rating represents maximum allowable weight of people and cargo, and can be reduced by the weight of optional equipment. See Nissan Towing Guide and Owner's Manual for additional information. ³Standard on V8 models. See Nissan Towing Guide and Owner's Manual for additional information. ⁴Airbags are only a supplemental restraint system; always wear your seat belt. Rear-facing child restraints should not be placed in the front-passenger's seat. Also, in addition to any other requirement of applicable law, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents; see your Owner's Manual for more details. ⁵Based on Global Automakers of Canada (GAC) Full Size Van Market Segmentation. 2020 NV vs. latest in-market competitors in Large Van segment sourced from Autodata on July 19, 2019. ⁶Vehicle Dynamic Control cannot prevent collisions due to abrupt steering, carelessness, or dangerous driving techniques. It should remain on when driving, except when freeing the vehicle from mud or snow. See Owner's Manual for safety information. ⁷Brake Assist cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information.

NV CARGO TRIM BUILD

NV PASSENGER

ROOM FOR 12 AND A BEST-IN-CLASS 324 SEATING CONFIGURATIONS¹

With the 2020 Nissan NV Passenger, there's always room for more. Whether it's sharing a multi-family vacation, taking little leaguers and gear to the game, or being the king of the carpool, NV Passenger transports your expectations as well as your passengers. You've got easy access to seating with a sliding side door and a low step-in height. Confidence comes along for the ride with integrated headrests and seat belts and standard roof-mounted side-impact supplemental airbags with rollover sensor for every row.² Innovative heating and cooling keeps everyone comfortable, too. The out-front engine design provides improved driver comfort, easier engine access for servicing, the durability of a full-length, fully boxed ladder frame, and the biggest brakes in its class.¹ It all adds up to a team player we can all cheer for: the 2020 NV Passenger.

Nissan NV3500® HD SL Passenger shown in Super Black.

¹Based on *DesRosiers* Large Van Segmentation. 2020 NV vs. latest in-market Large Van competitors from manufacturers' websites. ²Airbags are only a supplemental restraint system; always wear your seat belt. Rear-facing child restraints should not be placed in the front-passenger's seat. Also, in addition to any other requirement of applicable law, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents; see your Owner's Manual for more details. Requires accessory tow hitch receiver. See Nissan Towing Guide and Owner's Manual for additional information.

Nissan NV3500® HD SL Passenger shown in Beige Leather.

PACK IT IN, MOVE 'EM OUT

NV Passenger not only gives you space, it gives you unbeatable flexibility when it comes to carrying passengers and cargo. A choice of fore or aft positions in the 2nd- and 3rd-row seats means impressive stretch-out room; a real plus for taller or larger family members. And with six individually removable seats, you can do amazing things like having room for eight while fitting items up to ten feet long – all without the hassle of using a roof rack!¹

¹Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.

Maximum passengers

Easy entry and exit

Room for eight and cargo¹

Up to 10' long items¹

Maximum cargo¹

Opens wide and says more. NV Passenger makes it easy to use every inch of space. The rear doors swing wide, opening 243°, and are held in place with powerful magnetic door stops. The easy-sliding side door opens wide and features a low step-in height. And when you need to make the big haul, remove the 2nd-, 3rd-, and 4th-row seats, and enjoy a massive 218.9 cu. ft. (6,198 litres) of cargo space!¹

COMFORT, CONTROL, AND CONVENIENCE

Driving isn't just driving anymore. With today's crazy schedules, you can end up feeling like a part-time skycap, cashier, entertainment director – even company representative. No matter which hat you end up wearing today, NV Passenger helps you excel at all of them, providing outstanding room and superior visibility for easier manoeuvring. There's dedicated storage to help keep things in order, and available advanced technology to help keep you on time. Job well done.

Nissan NV3500[®] HD SL shown in Beige Leather. U.S. instrumentation shown.

YOUR PERSONAL ORGANIZER

Best of both worlds. Whether it's running a business, or just keeping a big team on the go, NV Passenger uses some smart thinking to help keep things organized. The lockable centre console is roomy enough for a laptop computer and hanging files, while the sliding cover makes a great work desk. Fold the front passenger seat and you've got even more workspace, or a handy tray when grabbing a bite on the road. And with the under-seat storage drawer, you've got a secure place to store loose papers!

Flexible lockable centre console.¹

NISSAN SAFETY SHIELD PHILOSOPHY INNOVATION THAT LOOKS OUT FOR YOU

Wouldn't it be cool if you had the confidence you need for every part of your drive? The Nissan Safety Shield philosophy is a comprehensive approach to safety that guides the engineering and development of every vehicle we make.

8 STANDARD AIRBAGS⁵

RESPOND

Whether you need to hit the brakes hard or manoeuvre around an unexpected obstacle, these standard technologies help you respond in a potentially harmful situation.

- Vehicle Dynamic Control²
- Traction Control System
- Anti-lock Braking System
- Brake Override Technology
- Brake Assist⁴

PROTECT

When a collision is unavoidable, advanced technology helps minimize injury and keep you safe. Nissan's Zone Body construction further strengthens that line of defence, helping to absorb impact and protect everyone on board.

Eight Standard Airbags⁵

- (2) Dual-stage supplemental front airbags⁵
- (2) Front seat-mounted side-impact supplemental airbags⁵
- (2) Roof-mounted curtain side-impact supplemental airbags with rollover sensor for front occupant head protection⁵
- (2) Roof-mounted curtain side-impact supplemental airbags with rollover sensor for 2nd-, 3rd-, and 4th-row outboard occupant head protection⁵

BUILT FOR THE LONG HAUL

NV Passenger has been engineered from the bottom up to give you the kind of reliability and durability you need to ensure a solid bottom line for your business. It's built on a full-length, fully boxed ladder frame for a long service life. The biggest brakes in its class provide confident stopping power,¹ while standard Vehicle Dynamic Control (VDC) helps keep you on your steered path.² Whether you choose a fuel-efficient V6 or powerhouse V8 engine, you ride with state-of-the-art technology. With up to 8,700-lb. towing capacity, you can bring what you need, when you need it.³ And since both engines run so efficiently, you'll never have to worry about logging idling time again.

Vehicle Dynamic Control (VDC)
NV Passenger's VDC system helps you stay on your steered path by reducing engine speed and/or applying appropriate brake pressure to specific wheels.²

POWERFUL CHOICES
V6 V8

NV Passenger's 24-valve, 4.0-L V6 features an advanced Continuously Variable Valve Timing Control System that delivers seamless power with optimum fuel efficiency.

Step up to the direct injected 32-valve 5.6-L V8 and you'll find an aluminum block with a forged crankshaft and cast-iron cylinder liners for maximum strength.

Suspension and ride
Based on the heavy-duty components of NV Cargo, Nissan engineers specially tuned the suspension of NV Passenger for rider comfort.

¹Based on *Global Automakers of Canada (GAC) Full Size Van Market Segmentation, 2020 NV vs. latest in-market competitors in Large Van segment sourced from Autodata on July 19, 2019.* ²Vehicle Dynamic Control cannot prevent collisions due to abrupt steering, carelessness, or dangerous driving techniques. It should remain on when driving, except when freeing the vehicle from mud or snow. See Owner's Manual for safety information. ³V8 models only. See Nissan Towing Guide and Owner's Manual for additional information. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. When towing at or near Maximum Trailer Weight, the allowable vehicle cargo and/or number of passengers is reduced because it is necessary to stay below the Gross Combined Weight Rating and the Gross Axle Weight Rating. If the vehicle has cargo and passengers, the allowable Maximum Trailer Weight is reduced. ⁴Brake Assist cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ⁵Airbags are only a supplemental restraint system; always wear your seat belt. Rear-facing child restraints should not be placed in the front-passenger's seat. Also, in addition to any other requirement of applicable law, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents; see your Owner's Manual for more details. Inflated airbags shown for illustration purposes only, actual coverage area may differ. Airbags deflate after deployment. ⁶Available feature. ⁷Sonar System may not detect every object. Driver should always check surroundings before driving. See Owner's Manual for safety information.

You've decided which Nissan NV Passenger you want, now here comes the best part: choose your favourite colour and decide what it's going to look like.

THERE'S AN NV PASSENGER PERFECT FOR YOUR NEEDS

NV3500 HD SV

NV3500[®] HD SV

- 4.0-litre DOHC V6 engine
- Optional 5.6-litre DOHC V8 engine
- 5-speed automatic transmission (V6)
- 7-speed automatic transmission (V8)
- Heavy-duty battery
- 14" Vented disc brakes front/rear
- 17" Chrome-clad wheels
- Chrome exterior trim
- Air conditioning
- Water-repellent cloth seats with vinyl wear patches on inner and outer bolsters
- 12-passenger seating capacity
- 324 Seating configurations
- Ten exterior roof rack-mounting points
- 243" Maximum opening range for rear cargo doors
- NissanConnect[®] 5.8" (147 mm) colour touch-screen display¹
- Nissan Navigation System²
- NissanConnect[®] Mobile Apps³
- Nissan Voice Recognition
- SiriusXM[®] Traffic with 3-month trial access⁴
- Hands-free Text Messaging Assistant⁵
- Bluetooth[®] Hands-free Phone System⁶
- AM/FM/CD audio system
- USB port⁷
- Six speakers
- SiriusXM[®] Radio with 3-month subscription included⁴
- Bluetooth[®] streaming audio⁶
- Steering wheel-mounted audio and cruise controls
- Multi-functional lockable centre console
- 8-way power driver's seat with manual lumbar
- Driver's under-seat storage tray
- Driver's seat storage pocket
- Fold-down front passenger's seat with seatback tray table
- Power door locks and front windows
- Carpeted floor
- Eight cup holders and three bottle holders
- 12 Rear passenger heating and cooling vents
- Entry lighting for driver and front passenger
- Dual overhead front passenger map lights
- Six rear passenger area map lights
- Three additional 12-volt DC power outlets⁷
- Two 120-volt AC power outlets rated at 400 watts⁷
- Three assist grips
- Side and rear window privacy glass
- Rear Sonar System⁸ and RearView Monitor⁹
- Pre-wiring for electrical and telematics upfitting
- Eight standard airbags¹⁰
- Vehicle Dynamic Control (VDC)¹¹
- Vehicle Security System with remote keyless entry
- Nissan Vehicle Immobilizer System

NV3500 HD SL

NV3500[®] HD SL

INCLUDES NV3500 HD SV CONTENTS PLUS:

- 5.6-litre DOHC V8 engine
- 7-speed automatic transmission
- Fog lights
- Front Sonar System⁸
- Leather-appointed seats
- Heated front seats
- Leather-wrapped steering wheel
- Auto-dimming rearview mirror with compass
- Dual Zone Automatic Temperature Control
- Power heated chrome extendable tow mirrors
- Two front tow hooks
- Class IV tow hitch receiver¹²
- 7-pin connector/brake controller pre-wiring¹²

¹Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ²Never program while driving. Swatches may vary slightly due to the printing process and whether viewed in daylight, fluorescent or incandescent light. Please see the actual colours at your dealer.

Vinyl and Grey Cloth Beige Leather

GENUINE NISSAN ACCESSORIES

Every Genuine Nissan Accessory is custom-fit, custom-designed and durability-tested. Each one is backed by Nissan's 5-year/160,000-km (whichever occurs first) limited warranty (if installed by dealer at the time of purchase), and can be financed when installed by dealer at time of purchase. Terms, conditions, and exclusions apply. See your Warranty Information Booklet for complete details.

- A. Telescoping Tow Mirrors**
Slide outward for improved visibility.
- B. Weight-distributing Hitch Ball Mount, Class IV¹²**
Makes for a safer ride when towing.
- C. Hood Protector**
Give your hood a fighting chance against bugs and road grime.
- D. Body Side Mouldings**
Just say no to parking lot dings, dents and scratches.

- Additional Accessories:**
- All-Season Floor Mats
 - Tow Hitch Receiver, Class IV¹²
 - Tow Hooks
 - Side-window Deflectors
 - And More

NV PASSENGER SPECIFICATIONS

Engines	3500 SV	3500 SL
VQ40DE – 4.0-litre DOHC 24-valve V6 engine	■	
—Horsepower – 261 HP @ 5600 rpm		
—Torque – 281 lb.-ft. @ 4000 rpm		
5.6-litre DOHC Direct Injection 32-valve V8 engine	V8	■
—Horsepower – 375 HP @ 5800 rpm		
—Torque – 387 lb.-ft. @ 4000 rpm		
Continuously Variable Valve Timing Control System (CVTCS)	■	■
Nissan Direct Ignition System	■	■
Electronic drive-by-wire throttle	■	■
Iridium-tipped spark plugs	■	■
Alternator (130 amps)	■	■
Heavy-duty battery	V8	■
Engine block heater	■	■

Drivetrain		
5-speed automatic transmission	■	
7-speed automatic transmission	V8	■
Rear-Wheel Drive	■	■
Final drive ratio (3.36:1)	■	■

Brakes		
14.2" Front vented disc brakes	■	■
14.4" Rear vented disc brakes	■	■
4-wheel Anti-lock Braking System (ABS)	■	■
Electronic Brake force Distribution (EBD)	■	■
Brake Assist ⁶	■	■

Suspension/Steering		
Front independent double-wishbone suspension	■	■
Multi-leaf rear suspension with solid axle	■	■
Front and rear stabilizer bars	■	■
Engine-speed-sensitive hydraulic recirculating ball steering	■	■

Driver Assistance Technologies		
Cruise control	■	■
RearView Monitor ⁷	■	■
Rear Sonar System ⁸	■	■
Front and Rear Sonar System ⁸	■	■
Vehicle Dynamic Control (VDC) ⁹ with Traction Control System (TCS)	■	■
2-wheel Active Brake Limited Slip (ABLS)	■	■

Wheels/Tires		
17" x 7.5" chrome-clad wheels	■	■
LT245/70R17 All-Season tires	■	■
Full-size spare tire	■	■

Chassis		
Body-on-frame construction	■	■
Full-length, fully boxed ladder frame	■	■

Exterior Features		
Chrome grille	■	■
Chrome door handles	■	■
Chrome bumpers	■	■
Chrome outside mirrors	■	■
Dual power outside mirrors	■	■
Dual power heated chrome extendable tow mirrors	V8	■
10 Roof rack-mounting points ¹	■	■
50/50 Split rear cargo doors with opening locking feature	■	■
Magnetic door locks (to secure open rear doors)	■	■

Exterior Features (continued)		
243° Maximum opening range for rear cargo doors	■	■
Sliding side door on passenger side	■	■
Sliding side door window with privacy glass	■	■
UV-reducing front windshield glass	■	■
Side passenger window privacy glass	■	■
Rear window privacy glass	■	■
Rear window defroster	■	■
Daytime Running Lights	■	■
Halogen headlights	■	■
Fog lights	■	■
Front and rear splash guards	■	■
Two front tow hooks	V8	■
7-pin connector and brake controller pre-wiring ³	V8	■
Class IV tow hitch receiver ³	V8	■

Comfort/Convenience		
Air conditioning	■	■
Dual Zone Automatic Temperature Control	■	■
12 Rear passenger heating and cooling vents	■	■
Pre-wiring for electrical and telematics upfitting	■	■
Dual overhead front passenger map lights	■	■
Six rear passenger area map lights	■	■
Rear cargo light	■	■
Vertical sidewall design	■	■
Interior rearview mirror	■	■
Auto-dimming rearview mirror with compass	■	■
Three assist grips	■	■
Remote keyless entry	■	■
Power windows with driver's window one-touch auto-down	■	■
HVAC microfilter	■	■
Power door locks with auto-locking feature	■	■
Tilt steering column	■	■
Variable intermittent windshield wipers	■	■
Entry lighting for driver and front passenger	■	■
Multi-functional trip computer with maintenance intervals	■	■
Multi-functional lockable centre console with file and laptop computer storage with built-in clipboard holder	■	■
Driver's under-seat slide-out storage tray	■	■
Front-door map pockets	■	■
Eight cup holders	■	■
Three bottle holders	■	■
Three 12-volt DC power outlets ¹⁰	■	■
Two 120-volt power outlets ¹⁰	■	■

Seating/Appointments		
324 Seating configurations	■	■
Grey cloth front seats with reinforced inner and outer vinyl side bolster wear patches	■	■
Leather seating surfaces	■	■
Heated front seats	■	■
Leather-wrapped steering wheel	■	■
Water-repellent seating surfaces	■	■
4-way manual front passenger's seat	■	■
8-way power adjustable driver's seat with manual lumbar	■	■
Removable split seating (65/35 for 2nd and 3rd rows, 50/50 for 4th row)	■	■
Driver's seat storage pocket	■	■
Fold-down front passenger's seat with seatback tray table	■	■

Infotainment		
Nissan Navigation System ¹¹	■	■
NissanConnect® Mobile Apps ¹²	■	■
Nissan Voice Recognition	■	■
SiriusXM® Traffic with 3-month trial access ¹³	■	■
Bluetooth® Hands Free Phone System ¹⁴	■	■
Hands-free Text Messaging Assistant ¹⁵	■	■
AM/FM/CD audio system with 5.8" (147 mm) colour display	■	■
Auxiliary audio input jack ¹⁰	■	■
USB connection port ¹⁰	■	■
Steering wheel-mounted audio controls	■	■
Six speakers	■	■
SiriusXM® Radio with 3-month subscription included ¹³	■	■
Streaming audio via Bluetooth® wireless technology ¹⁴	■	■

Safety/Security		
Driver and passenger dual-stage supplemental front airbags with seat belt sensors ¹⁶	■	■
Driver's and front passenger's seat-mounted side-impact supplemental airbags ¹⁶	■	■
Roof-mounted curtain supplemental airbags for side-impact and rollover head protection for all outboard passengers ¹⁶	■	■

Two rear-seat tether anchors	■	■
Pipe-style steel side-door guard beams	■	■
Zone Body construction with front and rear crumple zones	■	■
Hood-buckling creases and safety stops	■	■
Energy-absorbing steering column	■	■
Steering wheel lock	■	■
Break-away engine mounts	■	■
Slide-away brake pedal assembly	■	■
Tire Pressure Monitoring System (TPMS) ¹⁷	■	■
Vehicle Security System	■	■
Immobilizer Key System	■	■

¹Cargo and load capacity limited by weight and distribution. Always secure cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. ²Payload rating represents maximum allowable weight of people and cargo, and can be reduced by the weight of optional equipment. See Nissan Towing Guide and Owner's Manual for additional information. ³See Nissan Towing Guide and Owner's Manual for additional information. ⁴With available tow hitch accessory for V6 and V8 models. See Nissan Towing Guide and Owner's Manual for additional information. ⁵With standard factory tow hitch. V8 models only. See Nissan Towing Guide and Owner's Manual for additional information. ⁶Brake Assist cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ⁷RearView Monitor may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information. ⁸Sonar System may not detect every object. Driver should always check surroundings before driving. See Owner's Manual for safety information. ⁹Vehicle Dynamic Control cannot prevent collisions due to abrupt steering, carelessness, or dangerous driving techniques. It should remain on when driving, except when freeing the vehicle from mud or snow. See Owner's Manual for safety information. ¹⁰Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ¹¹Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ¹²Feature availability is dependent on vehicle model, trim level, packaging and options. Compatible connected device may be required and feature availability may be dependent on device's capability, the absence of which can limit or prevent the ability to reach Customer Care or receive support. GPS mapping may not be detailed in all areas or reflect current road status. Never program GPS while driving. Some services and features are provided by independent companies not within Nissan's control. **Should service provider terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents.** Services and features may require compatible cellular network provided by independent companies not within Nissan or its partners' or agents' control. Cellular network signal strength may vary and may not be available in all areas or at all times. Services and features may not function if cellular network is unavailable, restricted, or terminated. Nissan and its partners or agents are not responsible for associated costs or other third party charges that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Technology is evolving, and changes by independent companies are not within Nissan's or its partners' or agents' control. Enrollment, owner consent, personal identification number (PIN), and subscription agreement may be required to receive full suite of features and services. Trial periods (if applicable) begin on the date of vehicle purchase or lease of a new Nissan. Trial periods may be subject to change at any time and may be subject to early termination without notice. Required subscriptions may be sold separately for each available feature or service after trial period ends, and may continue until you call service provider to cancel. Installation costs, one-time activation fee, other fees and taxes may apply. Fees and programming subject to change. Feature may be subject to age restrictions in some areas. Subscriptions governed by service provider's subscription agreement, terms and conditions and privacy statements available at service provider's website. Text rates or data usage may apply. The Nissan names, logos and slogans are trademarks owned by or licensed to Nissan North America, Inc. or its North American subsidiaries. Other trademarks and trade names are those of their respective owners. **For important safety information, system limitations, and additional operating and feature information, see Dealer or Owner's Manual.** ¹³SiriusXM and SiriusXM® Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. All subscriptions subject to customer agreement at siriusxm.ca/terms. All fees and programming subject to change. ©2019 Sirius XM Canada Inc. The Sirius, XM, and SiriusXM® names and all related marks and logos are trademarks of Sirius XM Radio Inc. All other trademarks are the property of their respective owners. ¹⁴Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth® word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence. ¹⁵Use Hands Free Text Messaging when parked in a safe location. If you must use while driving, monitor traffic conditions and keep both hands on the steering wheel to prevent collisions. Compatible device required. Message and data rates may apply. ¹⁶Airbags are only a supplemental restraint system; always wear your seat belt. Rear-facing child restraints should not be placed in the front-passenger's seat. Also, in addition to any other requirement of applicable law, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents; see your Owner's Manual for more details. ¹⁷Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. See Owner's Manual for safety information. ¹⁸Whichever occurs first. ¹⁹Nissan's New Vehicle Limited Warranty basic coverage excludes tires, corrosion coverage, and emission performance and defect coverage (applicable coverage is provided under other separate warranties). Other general exclusions and terms and conditions also apply. For complete information concerning coverage, conditions and exclusions, see your Nissan dealer and read the actual New Vehicle Limited Warranty booklet. Warranty claim is current at time of printing. Bluetooth® is a registered trademark of Bluetooth SIG, Inc. Bose® is a registered trademark of The Bose Corporation. SiriusXM: The Sirius, XM, and SiriusXM® names and all related marks and logos are trademarks of Sirius XM Radio Inc. All other trademarks are the property of their respective owners.

BUYING AND OWNING

Finance Options Through Nissan Canada Finance, we offer many attractive lease and loan options that can be tailored to your individual needs. We have unique programs such as the Nissan Grad Program, Loyalty Program or the Nissan Advantage Program. Please visit our website Nissan.ca/finance to explore all of the options available. We have also made it easy to pre-qualify online. All of our programs come with competitive rates and terms. With our flexible options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

No-Nonsense Warranty Every 2020 Nissan Commercial Vehicle is covered by a 5 year/160,000 km¹⁸ Comprehensive New Vehicle Warranty, a 5 year/160,000 km¹⁸ Powertrain Warranty, an 8 year/130,000 km¹⁸ Emission OBD Warranty on selected components, and a 5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you'll also receive a Roadside Assistance program available to you 24 hours a day throughout the New Vehicle Warranty period. Terms, conditions and exclusions apply. See Warranty Information Booklet for complete details.

Added Security Plan (ASP) For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.
