NISSAN INTELLIGENT MOBILITY
Nissan Intelligent Mobility guides everything we do. We’re using new technologies to transform cars from mere driving machines into partners. Together the journey is more confident, connected, and exciting. Whether it’s cars that share the task of driving with you, or highways that charge your EV as you go along, it’s all in the very near future. And it’s a future already taking shape in the Nissan you drive today.

NISSAN QASHQAI®
Isn’t it time you were passionate about the car you drive? Welcome to the 2017 Qashqai.

Follow Nissan Canada on:
TAKE ON adventures downtown and weekends out of town with progressive style, a commanding point of view, and available tech that helps watch out for you. Merge into traffic with complete confidence. No detours, potholes, or street-parking-only restaurants can hold you back. The brand-new 2017 Nissan Qashqai.* Built around you, fit for YOUR CITY.
SMART PREMIUM

The intuitively laid-out Qashqai® interior is designed to keep up with your life, while generous head and leg room keep the crew happy on longer trips. And thoughtful details, like stitching on the seats and doors, give the space a handcrafted feel.

Nissan Qashqai® SL AWD shown in Light Grey Leather.
STREET-SAVVY, ADVENTURE-READY

INTELLIGENT CRUISE CONTROL
Keep pace with the flow of traffic with just the push of a button. Unlike traditional systems that only maintain a set speed, Intelligent Cruise Control also helps maintain an adjustable set distance between you and the car in front of you. As traffic slows down or speeds up, Qashqai® can respond accordingly.¹

ECO MODE AND SPORT STEERING
Qashqai gives you the power to switch things up. Low on gas and late for work? Eco Mode adjusts engine and transmission response to maximize fuel efficiency. And for those days you just want to play, activating sport steering sharpens steering response to rev up your senses.

INTELLIGENT ALL-WHEEL DRIVE
Intelligent All-Wheel Drive is so responsive, it can adapt to changing conditions 30 times faster than the blink of an eye. Snow, rain-covered pavement, or tight turns, the system automatically sends power to the wheels that need it most.²

COLD-WEATHER FEATURES
QUICK COMFORT® HEATED FRONT SEATS
Standard Quick Comfort® heated front seats, not only take the edge off a chilly morning, they feel great on your back in any weather.

HEATED STEERING WHEEL
Gone are the days of leaving your gloves on in the car, thanks to the heated steering wheel!

REMOTE ENGINE START SYSTEM WITH INTELLIGENT CLIMATE CONTROL
On hot days, the Remote Engine Start System with Intelligent Climate Control can adjust temperature and airflow for a quick cool-down.² On cold days, the system can adjust airflow to warm up the cabin, defrost windows and windshield, and even turn on the heated steering wheel and outside mirrors.¹

¹Available feature. Intelligent Cruise Control is not a collision avoidance system or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident.²Proper traction is required. Vehicle stability is needed before using.
A BOLDER RIDE THROUGH LIFE

Nissan Intelligent Mobility transforms your Qashqai® into a responsive partner, for a more connected, confident and thrilling drive.

Automatic Emergency Braking with Pedestrian Detection
Automatic Emergency Braking with Pedestrian Detection monitors your speed and distance between you and the car ahead, and can let you know if you need to slow down. It can even automatically engage the brakes to help avoid a collision or lessen the severity of an impact. And when it detects a pedestrian in the crosswalk, it can stop you in your tracks.1,3

Blind Spot Warning (BSW)
Blind Spot Warning helps you change lanes with confidence. It keeps an eye on the blind spot area and gives you a heads-up if it detects a vehicle hiding there.1,3

Rear Cross Traffic Alert (RCTA)
Rear Cross Traffic Alert helps you back out of a space more safely. It watches around the rear of your Qashqai, and can warn you about cars it detects creeping up on you from either side.1,3

Lane Departure Warning (LDW)/Intelligent Lane Intervention
Lane Departure Warning helps make sure you change lanes only when you mean to. If LDW detects that you’re unintentionally drifting over, it’ll give you a heads-up. Intelligent lane intervention helps keep you in your lane. It taps the brakes to help gently guide you back if it detects that you’re unintentionally straying out of your lane for too long.1,3

Rear Cross Traffic Alert helps you back out of a space more safely. It watches around the rear of your Qashqai, and can warn you about cars it detects creeping up on you from either side.1,3

Automatic Emergency Braking with Pedestrian Detection monitors your speed and distance between you and the car ahead, and can let you know if you need to slow down. It can even automatically engage the brakes to help avoid a collision or lessen the severity of an impact. And when it detects a pedestrian in the crosswalk, it can stop you in your tracks.1,3

Intelligent Around View Monitor uses four cameras to give you a virtual 360° bird’s-eye view of your vehicle, with selectable split-screen close-ups of the front, rear, and curbside views.1,3

SIRI® EYES FREE
Unleash the power of your Siri-equipped iPhone® with Siri EYES FREE. Ask about the weather, make calls, send texts, update your calendar, and more – at the touch of a button.1,3,4

U.S. instrumentation shown.

INTELLIGENT AROUND VIEW® MONITOR
Squeezes into that spot with your pride and rims intact. The Intelligent Around View Monitor uses four cameras to give you a virtual composite, 360° bird’s-eye view of your vehicle, with selectable split-screen close-ups of the front, rear, and curbside views.1,3

CALM, COOL, CONNECTED
NissanConnect™ with Navigation, Mobile Apps, and Services bring your hand-picked music, favourite apps, and much more all along, working seamlessly with your compatible smartphone and Qashqai’s 7” touch colour touchscreen. And with Bluetooth® streaming and USB connectivity, you’re never out of the loop.1,3,4

DIVIDE-N-HIDE®
Reversible cargo-floor panels adjust easily to provide multiple configurations, while the back seats fold down flat to accommodate larger gear, giving you space for your daily essentials and weekend getaways.1,5

Services bring your hand-picked music, favourite apps, and much more all along, working seamlessly with your compatible smartphone and Qashqai’s 7” touch colour touchscreen. And with Bluetooth® streaming and USB connectivity, you’re never out of the loop.1,3,4

Driving is serious business. Only use NissanConnect and services when safe to do so. Compatible smartphone required. Availability of specific feature is dependent upon the phone’s Bluetooth® support. Please refer to your phone Owner’s Manual for details. Bluetooth® word mark and logos are owned by Bluetooth SIG, Inc. and any use of such marks by Nissan is under licence.

Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Smartphone or other connected devices are not designed to be used while driving. Text rates and/or data usage may apply. For details. Text rates and/or data usage may apply. For details. See your Nissan dealer for details, or go to accessories.nissan.ca

**BUYING AND OWNING**

**Finance Options**

Through Nissan Canada Finance, we offer many attractive lease and loan options that can be tailored to your individual needs. We have unique programs such as the Nissan Grad Program, Loyalty Program or the Nissan Advantage Program. Please visit our website Nissan.ca/Finance to explore all of the options available. We have also made it easy to pre-qualify online. All of our programs come with competitive rates and terms. With our flexible options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

No-Nonsense Warranty

Every Nissan car is covered by a 3 year/60,000 km Comprehensive New Vehicle Warranty, a 5 year/100,000 km Powertrain Warranty, an 8 year/130,000 km Emission Control Warranty on selected components, and a 5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you’ll also receive a 3 year Roadside Assistance program available to you 24 hours a day. Terms, conditions and exclusions apply. See your Warranty Information Booklet for complete details.

Presented is a list of plans are available. Ask your Dealer for details.

*No cost option* - Free your Nissan Dealership and read the actual limited warranty. Changes and deals are subject to change. Call your local Nissan dealer for details.

Addendum Security Plan (ASP) For ultimate peace of mind, consider the Nissan Added Security Plan. It’s our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

SecurityPlus® Prepaid Maintenance Plan

The smart choice when it comes to maintaining your new Nissan. Honoured at all participating Nissan Dealers in Canada and the U.S., your vehicle is cared for by factory-trained technicians using Genuine Nissan Parts. And best of all, there’s nothing to worry about. Price increases on parts or service in the future. A variety of plans are available. Ask your Dealer for details.

Nissan’s environmental action plan focuses on several key areas. In addition to increasing production of Zero Emission vehicles like the 100% electric LEAF™, we’re improving fuel efficiency across our lineup, and reducing the environmental impact of manufacturing through energy-efficient practices in our plants.
