Nissan intelligent Mobility guides everything we do. We’re using new technologies to transform cars from mere driving machines into partners. Together the journey is more confident, connected, and exciting. Whether it’s cars that share the task of driving with you, or highways that charge your EV as you go along, it’s all in the very near future. And it’s a future already taking shape in the Nissan you drive today.
SEEK new destinations. Unrivalled space means everyone gets in on the action. Now take on the road, or what they call a road, with available Intelligent 4x4, while you tow up to 6,000 lbs. (2,722 kg). Then feel secure with a suite of advanced driver-assistance systems. The 2018 Nissan Pathfinder®. A vehicle this capable always makes for memorable ADVENTURE.

1 Slide function should not be performed with the Child Restraint System occupied.  
2 Passengers should not ride in the reclined position while the vehicle is in motion.  
3 Tri-Zone operation requires compatible auxiliary media system. See Owner's Manual for details.  
4 Available services/features may be shown. Compatible connected device may be required. Only use services/features and device when safe and legal to do so. Subject to GPS and wireless network availability and connection, and system/technology limitations. Text rates/data usage/subscription may apply. Some services/features provided by companies not within Nissan or its partners' or agents' control and may be discontinued at any time. For more information, see Dealer, or Owner's Manual.

In Pathfinder®, capability goes way beyond taking on rugged conditions; it's conquering the real world you face every day. That means more than just seating for seven. It means seating for seven with exceptional passenger room, including a 2nd row that slides over 133 mm (5.2") for stretch-out room and 3rd-row reclining seats. And with a highly flexible interior that can adapt to nearly any adventure, an available Tri-Zone Entertainment System, Bose® Premium Audio System, and Bluetooth® streaming audio, this is one time where one size fits all beautifully.
PLANT AN EXTENDED STAY
Pathfinder® surrounds you with premium comforts, including a standard Tri-Zone Automatic Temperature Control System, available climate-controlled (heated and cooled) front seats, heated 2nd-row outboard seats, heated steering wheel and the innovative Nissan Intelligent Key.® Then it makes you feel even more catered to with Push Button Ignition, a 203 mm (8.0”) touch-screen display, available memory seating system, premium wood-tone trim elements, and a Dual Panel Panoramic Moonroof. All, while it fills the cabin with inspiring sound thanks to a Bose® Premium Audio System.

HANDS-FREE ACCESS
Carrying everything at once? No problem. Just kick your foot under the rear bumper and the available Motion Activated Liftgate will open for you. And there’s no more fumbling for keys, thanks to Nissan Intelligent Key® with Push Button Ignition. Just step inside of the Nissan Pathfinder, push a button, and away you go.

THREE ROWS OF FLEXIBILITY
With the EZ FLEX® Seating System’s LATCH AND GLIDE® technology, the right side of the 2nd row glides and tilts forward for 3rd-row access, even with a child seat in place. And with so many possible seating configurations, Pathfinder is always ready for the next adventure.

A BOLDER RIDE THROUGH LIFE
Available advanced technologies give you more confidence in everyday travels. When in reverse, you’ll have plenty of help backing out of tight parking spaces, while out on the road, feel more secure when changing lanes or following stop-and-go traffic.

NISSAN INTELLIGENT MOBILITY®

U.S. model shown.

IT ALL ADDS UP TO A BETTER DRIVE

In Pathfinder® power and efficiency combine to make every drive exceptional. It starts with an advanced powertrain, including a potent 3.5-litre Direct Injection Gasoline™ (DIG) V6 that provides plenty of passing power and towing capability, while still sipping fuel. Add in our Next-Generation Xtronic CVT® (Continuously Variable Transmission) and the drive only gets better. It can hold the engine at the ideal rpm for the job, giving you a wave of power when you need it and running low rpm for quiet, efficient cruising when you don’t.

SNOVED IN IS NO LONGER AN EXCUSE

With Pathfinder’s available Intelligent 4x4 system, you’ve got a system that’s capable on-road and off. Choose Full-time 2WD for maximum efficiency. Auto Mode constantly monitors conditions and adjusts the balance of power between front and rear wheels for best traction. Challenging conditions? 4WD Lock Mode is your choice. Just forget about taking snow days because there’s a good chance Pathfinder can still get you to work.

Ups and Downs. When your travels take you on steeper paths, hill start assist helps prevent rollback when starting and driving away on an incline. Hill descent control helps make going down steep grades more manageable.

6,000 LBS. MAXIMUM TOWING

Addition Security Plan (ASP) For ultimate peace of mind, consider the Nissan Added Security Plan. It’s our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

SecurityPlus® Prepaid Maintenance Plan
The smart choice when it comes to maintaining your new Nissan. Honoured at all participating Nissan Dealers in Canada and the U.S., your vehicle is cared for by factory-trained technicians using Genuine Nissan Parts. And best of all, there’s no worrying about price increases on parts or service in the future. A variety of plans are available. Ask your Dealer for details.

See your Nissan dealer for details, or go to accessories.nissan.ca

*See your Nissan Dealership and read the actual limited warranty. **Cargo and load capacity limited by vehicle’s maximum towing capacity. For factory-approved roof rack accessories the roof load will affect the handling and stability of the vehicle. Please consult your Nissan Owner’s Manual for additional information. **Maximum tow rating may apply; ensure load weight before using. *Nissan Pre-qualify online. **Nissan Towing Guide and Owner’s Manual for additional information. **Records were used to determine the results. *Nissan’s environmental action plan focuses on several key areas. In addition to increasing production of Zero Emission vehicles like the 100% electric LEAF®, we’re improving fuel efficiency across our lineup, and reducing the environmental impact of manufacturing through energy-efficient practices in our plants.
